Cocktails FOR Critters

We are thrilled to invite you to partner with us for Cocktails for Critters, Calgary Humane Society's signature fundraising gala.

Given the impact the current economic situation is having on pets and their families, this year's Cocktails for Critters will focus on our Continued Companionship Programs. These programs support struggling pet owners in properly caring for their animal companions so animals who have loving homes can stay in loving homes.

Last year 2081 animals were surrendered to Calgary Humane Society. As a sponsor of Cocktails for Critters, you will have a significant impact on the growing need in our community. You will be preventing animals from losing their homes and supporting their owners who love them.
